Your personal cruise will depart from the Angel moorings. Look out for our boat LADY A between The Narrowboat Pub, St Peter's Street and the lock at City Road Lock.

- **From Angel Tube Station** turn right and walk up Upper Street until you see The York, a large corner pub with tables outside. Turn right at the pub into Duncan Street and cross Duncan Terrace then look straight ahead for the gateway which leads down to the towpath. Follow the towpath past the moorings, through the

bridge and past City Road lock. You will see the Narrowboat Pub (A) at the next bridge. We will usually be between the lock and the pub.

Please also look above the lock, or outside the pub - we won't be far away!

- **ALLOW PLENTY TRAVELLING TIME!!**
