Your personal cruise will depart from the towpath gate to Camden Lock Market. Look out for our boat LADY A just outside Cafe Chula in West Yard.

- **From Camden Town tube station**, turn right and walk 300 yards up Camden High Street. Just before you cross the canal, take the footpath to your left, passing Starbucks alongside Hampstead Road Lock. Follow the iron footbridge over the canal and we will be moored at the other end opposite Ice Wharf!

- **By bus** use Camden High Street bus stops and

walk past the tube station as above. Direct bus from Paddington, number 27, takes about 30 minutes.

- **By Car** - we recommend you find another way to Camden but after 6:30pm and weekends you may be lucky enough to find a place in nearby Gloucester Avenue, NW1 8LB.

- **PLEASE ALLOW PLENTY TIME TO FIND US!!**
