Your personal cruise will depart from our moorings in the heart of London's Little Venice. Look out for our boat LADY A beside the Puppet Theatre Barge!

- From Warwick Avenue Tube Station walk up Warwick Avenue and turn right into Blomfield Road at the traffic lights. Lady A is on the towpath below, reached by steps opposite number 42.
- From Paddington leave the main station by the footbridge exit from platform 8 signposted to Sheldon Square. When it joins the canal turn left and pass Zizzis, Starbucks and Union Bar then keep walking to the low bridge from where you will see Lady A opposite, across the water. Continue around the canal towpath, crossing just after the Waterside Cafe.
- **By Car** head for W9 2PF. On-street parking in the area is free after 6:30pm and weekends, other times pay by phone parking is available.
